BUSINESS IS BOOMING
Brad Sugars 2010 North American Tour

BUSINESS IS BOOMING!

TIME FOR BUSINESS OWNERS TO TAKE ACTION!

Key winning strategies you will walk away with at this event:

- ✓ Cash flow is king – Discover tools and templates to keep your cash flow on track.
- ✓ Successful selling strategies – Understand the sales process with practical hands on advice.
- ✓ How to keep your customers coming back – Learn tried and tested customer loyalty strategies.
- ✓ Mastering your margins – Make the most of your margins and increase your profitability.
- ✓ Managing your team in a downturn – Learn how to motivate your team to become a winning team.
- ✓ Action Planning – Map out a plan for next quarter using all that you have learned.

There are truly only 5 ways to multiply your business profits but most business owners focus on the wrong things. In this seminar you'll learn the five numbers every successful business focuses on improving. Specifically you will learn:

- ✓ How to take immediate control of your cash flow and profits.
- ✓ How to multiply your number of customers, your revenues, and your profits.
- ✓ How to retain customers for 2x or 3x as long as you do today.
- ✓ How to avoid the top 4 common mistakes in advertising.
- ✓ How to turn your marketing and advertising into an investment, rather than an expense.
- ✓ How to work ON your business instead of just IN your business.
