Feeling frustrated trying to find employees, keeping up with new regulations, or finding a supplier?

You are invited to attend the first meeting of the Carroll County Manufacturing Consortium, initiated by industry, to bring the county's manufacturers together to discuss issues of mutual importance. Topics on the agenda for the meeting include:

- Machinist Apprenticeship Training
- Resume Sharing
- Regional Wage Review
- Governors Workforce Investment Board Manufacturing Skills Standards project
- Web site to keep in touch
- **Other topics supplied by YOU**

Refreshments will be provided. To participate, please contact the Business & Training Center at 410.386.8095 or email [kmenasche@carrollcc.edu](mailto:kmenasche@carrollcc.edu)
