BERC to continue human resources workshop series

Westminster, MD – The Carroll County Business & Employment Resource Center (BERC) has announced they will continue the human resources workshop series “Tools for Building a Strong Workplace Foundation” again in 2006.

The workshops will cover workplace issues that business professionals deal with on a daily basis. Some of the topics will include hiring individuals with disabilities, business tax credits, recruiting quality personnel, avoiding turnover and more. Each topic will be presented by business experts that can address concerns specific to your business and employees. Additionally, the workshops allow human resource professionals the opportunity to network with others who share similar challenges and concerns.

The short sessions, designed to fit the busy professionals’ schedule, will be held once monthly on Friday morning from 8:30am – 10:00am. There is no charge to attend, but pre-registration is required. The workshops will be held at the BERC offices, located at 224 North Center Street in Westminster, MD. A complete list of workshops is available by visiting www.carrollbiz.org/pdf/BERC_Tools2006.pdf

The Carroll County Business & Employment Resource Center is the workforce development arm of the Carroll County Department of Economic Development. Their mission is to develop a highly trained and effective workforce for new and existing business, to assist individuals in achieving employment and to encourage lifelong learning.
