### For Immediate Release

## Base Realignment and Closure Information Now Available

**June 25, 2009** – The Carroll County Department of Economic Development has added a valuable information page about Maryland Base Realignment and Closure (BRAC) activities to its [www.carrollbiz.org](http://www.carrollbiz.org) website. Listed under Business Assistance, the BRAC page links viewers to state and regional sites which provide specifics on BRAC activities happening in each jurisdiction. “Carroll County is part of the Fort George G. Meade Regional Growth Committee (RGMC) and is working collaboratively to address the opportunities that Fort Meade growth will bring to the region and specifically to Carroll County”, stated Director Larry Twele.

Maryland’s BRAC website portal (<http://www.brac.maryland.gov/>) is listed as the most comprehensive resource detailing upcoming BRAC opportunities for citizens and businesses. The site also features the 2008 BRAC Progress Report issued by Maryland’s BRAC Subcabinet chaired by Lt. Governor Brown.
