Business Awards Program Scheduled

October 26, 2009 – On behalf of the Board of Carroll County Commissioners, Economic Development will recognize eight distinguished businesses helping to grow the local economy at the 2009 Business Awards Program on November 5th at the Portico of St. John in Westminster. The program is open to all businesses and community members and held in conjunction with the Carroll County Chamber of Commerce, who will also recognize several small business award winners in three categories.

Director of Economic Development Larry Twele said, “Recognizing and celebrating business success in these challenging times is very gratifying. This year we changed the program from a dinner venue to an informal networking event and awards program. This change will give attendees more time to socialize with existing and potential business partners. We certainly hope that the community will help us to applaud our award winners’ success and investment in Carroll County.”

The event is sponsored by Constellation Energy with cocktails provided by PNC Bank; registration is open until October 30th. For more information about the awards program and to register, please visit the [Carroll County Chamber of Commerce website](#).
