County rededicates workforce center

August 3, 2010 – The Board of Carroll County Commissioners joined workforce partners, business representatives and residents to rededicate the expanded Business & Employment Resource Center (BERC) in Westminster on Monday, Aug. 2. Commissioner Julia W. Gouge, on behalf of the Board of County Commissioners, said “it is rewarding to now have a truly comprehensive one-stop workforce development center serving the citizens and businesses in Carroll County.”

At the celebratory event, Economic Development Director Larry Twele noted “thousands of citizens have utilized the workforce center and benefitted from one convenient location where our workforce partners – Maryland Department of Labor, Licensing & Regulation and Carroll Community College join us to provide comprehensive employment and training services.”

BERC provides direct business services by finding and training qualified applicants to fill job openings, by funding customized employee training and sharing local labor market information. BERC also provides job search workshops and education and training for job seekers.

A comprehensive agency website is available at www.carrollworks.org where a calendar of events details scheduled workshops. BERC is located at 224 N. Center St. in Westminster and is open Monday through Thursday, 8 a.m. to 4:30 p.m. and Friday from 8 a.m. to 2 p.m.
