### **Tourism Office seeks 2012 Calendar of Events information**

Aug. 16, 2011 – Westminster, MD – The Carroll County Tourism Office is pleased to announce some exciting changes to the Calendar of Events for 2012. Rather than an annual publication, the new calendar will be printed biannually allowing for a more current listing of events. For events that take place later in the year, this will allow event organizers more time to gather dates and other event details.

The first issue will include events from March 2012 through August 2012. The deadline to submit event information for this issue is November 1, 2011. All event information for the second issue (September 2012 to February 2013) must be received by May 1, 2012. These deadlines allow staff time to approve, edit, design and prepare the information for the printing process. In order to be included in this publication, an event must:

- be sponsored by a Carroll County organization
- be a tourist-related event
- draw at least 300 people
- take place in Carroll County

Event organizers should use the online application form to enter their event information for the calendar: <http://www.carrollcountytourism.org/public/>. No emails or handwritten applications will be accepted. There is no charge for inclusion in this publication. Call 410-386-2983 for more information.
